Flexi Setup

For the Contour and Servo
Open the Production Manager for Flexi Starter.

The cutter should be plugged in and turned on during this process.

You should also have the printer installed for the cutter.
1-2 Flexi Starter

- Click Setup, then Add Setup...
1-3 Flexi Starter

- Select CutterPros as the brand.

- Select either the Contour 2400 or Contour 4800 for the model. For Servo 2400 choose Contour 2400, For Servo 4800, choose Contour 4800.

- Click Next
1-4 Flexi Starter

- Select the USB_Printer_0 as the connection.

- Click Finish
The cutter should now be setup in the Production Manager.
1-6 Flexi Starter

- You can right click on the Contour/Servo 2400 (or 4800) to test the setup.
The End
